

Dear Potential Sponsor,

The Elpis Foundation is honored and excited to announce the upcoming **12th Annual TRM Memorial Golf Outing, set for Saturday, June 1, 2019 at Quicksilver Golf Club in Pittsburgh, PA.** The event benefits the Pittsburgh chapter of the Leukemia and Lymphoma Society.

By way of background, this event began as, and will continue to be, a tribute to the life, strength and vitality of Todd Reed McClintock who, in November 2005, was diagnosed with acute lymphoblastic leukemia (ALL), an aggressive malignancy of white blood cells. For the next 8 months, Todd, with the support of his family and friends, underwent multiple surgeries, transplants and chemotherapy regimens to combat the disease and to eradicate the cancer.

Despite Todd's undying and purposeful attitude, his relapse in August 2006 warranted Todd's return to his home in Upper St. Clair. Encountering further treatment and therapy, Todd battled until the leukemia cells returned in January 2007. Over the next several months, and in the face of his deteriorating condition, Todd impressed upon us the true meaning of courage, never once showing fear but always expressing hope. He passed away on April 17, 2007 in his home, surrounded by the comfort of his family.

The remembrance of Todd lives on in this event and provides an opportunity for friends and family to reflect on the legacy that is, and will always remain, Todd McClintock.

This year, we are inviting all to participate in the fundraising efforts. To that end, you are receiving this letter with the hope that your organization will join the cause and sponsor a hole for this year's event. Insofar as we anticipate in excess of 80 golfers to join us at Quicksilver for the TRM, as a sponsor, your firm's name will be proudly displayed both at the event and on the Elpis Foundation's website, as well as included on social media promoting the event. The monetary proceeds from TRM will target the continuing need for blood cancer research and financial support to families with loved ones afflicted by the disease.

If you are interested in becoming a hole sponsor, please complete the detailed form which outlines the various sponsorship levels. Once we receive your sponsorship check, we will send you a letter for your tax records as evidence of your most generous charitable contribution along with a request for any additional information needed. All submissions must be received no later than **May 18, 2019**.

On behalf of the McClintock family, the Elpis Foundation and the TRM Memorial Planning Committee, we would like to thank you for your continued consideration and support.

Very Truly Yours,

Justin Conrad
